Investing:

For Your Business: The Chamber provides its investors with numerous networking opportunities, including meet & greet events, business dinners and more throughout the year to help you grow your business and promote you to the local community and offers business training opportunities targeted to help your business grow. Upon request we can help set up a free consultation with the Small Business Development Center. The Chamber will also promote you through Social Media, Email Blast and Events.

For Your Customers: The Chamber continuously promotes Henry County as a preferred destination for relocation and tourism through its marketing programs and responses to inquiries. The Chamber will promote your business in the community and through other marketing programs. The Chamber works hard to bring potential customers and awareness to your business.

For Your Community: The Chamber serves as a catalyst for improving our community by multiplying your individual efforts and by being a vital part of growth in the community as well as continuously working on the betterment of Henry County.

For Your Concerns: The Chamber represents the voice of the business community. Through discussions, email, social media and surveys the chamber will listen to your concerns and take any questions you may have.

Member Benefits:
